Ending Open Defecation to Save Lives

“KUNYA HADHARA HULETA MADHARA”

“KUNYA KWA CHOO,
OKOA MAISHA”

- 54% (19 million) Kenyans have no access to proper sanitation.
- Over 6 million Kenyans defecate (sh!t) in the open every day.
- Globally, 6,000 people daily, die of diseases caused by human faeces.
- Coast, Nyanza and Rift Valley provinces have the highest number of open defecators.
